Summary

Hi, I am a highly motivated and dedicated fresher web developer with a solid foundation in React and JavaScript seeking an opportunity to contribute to the development of dynamic and user-friendly web applications. Eager to apply my skills, learn and grow in a professional environment.

- Proficient in React.js, React-Native, Node.js, JavaScript, HTML, and CSS
- Strong understanding of front-end development principles
- Knowledge of responsive web design and cross-browser compatibility
- Familiarity with version control systems, such as Git
- Solid understanding of object-oriented programming concepts
- Ability to write clean, modular, and efficient code
- Excellent problem-solving and analytical skills
- Strong communication and collaboration skills

I am looking out for opportunities in organisations where I can utilise my skills to their full potential. I look forward to hearing from you.
